

NOTE

NCQM's BEST EDUCATIONAL QUALITY ENHANCEMENT TEAM (BEQET)

PRESIDENT AWARD-2015

To encourage Quality Improvement Teams in Educational Institutions in the country, NCQM has instituted **Best Educational Quality Enhancement Team (BEQET)** President Award. These annual awards have been introduced since 2006. The first award competition was held on January 11, 2007 and is being pursued year after year.

One of the thrust areas of NCQM has been to promote Quality Values among educational institutions in our country. For the past few years, NCQM's senior consultants have been successfully facilitating numbers of schools and colleges in their journey towards quality improvement.

It is heartening to note that, as an outcome of this process of facilitation, a large number of Quality Improvement projects have been successfully undertaken and many more are being attempted.

The improvement areas covered so far are in academics, administration, infrastructure and house keeping. All of them have been following structured quality improvement methodologies, using the powerful team approach coupled with applications of appropriate statistical techniques.
