

BEQET BEST EDUCATIONAL QUALITY ENHANCEMENT TEAM (BEQET) 2021 PRESIDENT AWARD 2021

Dear Dr. Lina Raje,

As you may know, one of the thrust areas of National Centre for Quality Management (**NCQM**) has been to promote Quality Values among Educational Institutions in our country. For the past many years, NCQM's senior consultants have been successfully supporting a number of schools, colleges and management institutes in their journey towards excellence in education. It is heartening to note that a large number of Quality Improvement projects have been successfully undertaken and many more are being pursued by educational institutions over these years.

To reward these efforts, and to encourage Quality Improvement Teams in Educational Institutions in the country, NCQM has instituted The **BEQET Award** in the year 2006. The first award competition was held on January 2007 and is being pursued year after year thereafter. Your team's participation and their performance last year were commendable and I am sure your team will demonstrate an even better performance in BEQET 2021.

We are pleased to announce this year's BEQET Award 2021, and invite you to apply for this prestigious award to showcase your Institution's quality improvement initiatives and create visibility for your team champions. This process will definitely enhance your team's knowledge base on quality improvement project management and quantitative methods in decision making.
